## /Experience

2021-2022

### **WebStore Manager & Developer at Street Heaven**

Worked part-time at Street Heaven, a sneakers shop in Ukraine (now closed). I helped with developing and managing the company's e-commerce platform, handling UI, UX and visual design.

2019 - 2023

### **Freelance Designer & Developer**

In my free time during high school I worked on various personal and freelance projects:

- Designed logos, branding, and products.
- Built responsive landing pages using HTML, CSS, JavaScript, and React.
- Developed complex, data-driven web applications using Nextjs and MongoDB.

Visit my website to see some of my work.

---

## /Education

2023 - Now

### **Computer Science (Informatics) Bachelor USI Lugano, Switzerland**

2021 - 2023

### **General Secondary Education (High School) Lyceum "Prestige" Rivne, Ukraine**

- 10.2/12 GPA
  - Participated in Math Olympiads
  - Played for school's football team
- 

## /Skills

I am a creative and adaptable person with an eye for design and user experience. I solve problems quickly and make sure everything looks and works well. No matter the challenge, I am reliable, hardworking, and always try to give my best.
